

EARN A TUITION-FREE GENERAL STUDIES ASSOCIATE DEGREE

As a student at North Putnam High School, you have the opportunity to obtain your General Studies Associate's Degree at no cost, thanks to a collaboration with Ivy Tech Community College. This program allows you to earn a college credential while still in high school, giving you a head start in your academic journey.

The following courses are offered at North Putnam High School, and can be applied to the General Studies Associate Degree pathway. To get started, a student must complete the Indiana College Core by selecting a total of 30 credit hours from the list below. If you plan to pursue your Associate of General Studies, you must complete an additional 30 credit hours from the courses listed on the back of this page.

INDIANA COLLEGE CORE

The Indiana College Core is a block of 30 credit hours of general education, college-level coursework which is guaranteed to transfer between all Indiana public colleges and universities.
